

How to file a complaint about Judge Aileen Cannon:

- 1) You will need access to a printer, an envelope, a stamp, and a pen.
- 2) The complaint form starts on the next page. Open the file with your Word-compatible editor. Fill in your personal information in Section 1: name, address, phone number. Alternatively if you have the PDF, just print it and fill it in by hand. All of the other relevant information has been filled in. The form specifies that the information needs to be typewritten, so that is preferable. With that said, if you can't use an editor to type it in, it's better to hand write it and send it in than to not send it at all.
- 3) The last page is a sample of the Brief Statement of Facts. You may substitute your own text if you prefer.
- 4) Print pages 2-4 of the document.
- 5) Mail this document to:

I'm not a professional activist. I'm just outraged over this clear demonstration that our courts are compromised, and this is something that I can actually do to make my voice heard. You may reach me at votetosavedemocracy@gmail.com . Feel free to redistribute, with my information or your own. I wrote it (with some help), but I don't want credit, I just want the thing to happen. The Brief Statement of Facts was written and updated based on the work of several people. I regret that I have lost track of who contributed.

Sincerely,
Alden Hackmann

Brief Statement of Facts

Attachment to Complaint of Judicial Misconduct or Disability
Docket No. 23-80101-CR-Cannon: United States v. Trump

Judge Aileen Cannon is presiding over a case involving a defendant who gave her a lifetime appointment as a federal judge. She has thoroughly exposed herself as lacking the impartiality necessary to preside over Trump's trial, including the cancellation of the May trial date set for Trump's classified documents/obstruction of justice/espionage trial. She announced she will set NO trial date at this time. In addition, she has scheduled hearings with long periods of delay for matters that would normally be handled routinely without personal appearances of attorneys.

Judge Cannon's delays are violating these rights to a speedy trial, without adequate justification. It's not just Trump who has the right to a speedy trial, it's also the public. There is no benefit to either party by canceling this trial.

I demand that Aileen Cannon be removed from the above-captioned case, and that a fair, impartial, and independent judge be assigned Trump's federal case in Florida, with the express goal of scheduling the trial to be complete without further undue delay.
